me: hey man
me: don't want to bother you
me: but I was talking to more Tunisians on #optunisia
me: and then these two guys banned me for promoting Optunisia in #optunisia
me: as they want everyone to concentrate on Algeria
me: which is fine
me: but I need access to that channel to work
me: and now it's this personal power fetish bullshit
Anonymous: owen is the net admin you need to talk to
me: got his e-mail?
Anonymous: no
Anonymous: but your dealing with the shitty end of anon
me: I don't know how to contact him
Anonymous: with the people in power over there
me: I know, but others in there
Anonymous: on irc over there /msg owen something
Anonymous: to send him a message
me: know how his name is spelled?
Anonymous: owen
me: 0wen or owen or what?
me: okay
me: guess he's not on right now
me: I e-mailed Mr. A and others
Anonymous: he is
Anonymous: owen as in own
Anonymous: err owen
me: thing is, I always get flack from somebody for being in medi
Anonymous: on irc /msg is the private message command
me: first it was this evangelical christian
Anonymous: so type /msg owen MYMESSAGE
Anonymous: whatever your message happens to be
Anonymous: and if he is alive he will respond
me: keeps saying no such nick/channel
me: guess I have to wait till he's on?
Anonymous: he is on
Anonymous: i see him on
me: hmmm

me: you think you can message him for me?
me: it's really important, there are Tunsiians there right now
me: I was talking to them
me: was going to add them to network
Anonymous: in #optunisia
me: but don't have their e-mails yet
Anonymous: ?
me: yeah
me: I lost their name snow
me: I turned off mIRC after I was banned the second time
me: I've got contacts in Paris
me: we built a huge network of North Africans
me: and we can really help to establish these insittutions and give them internet tools
Anonymous: talking to him now
me: thanks man
Anonymous: no prob, give me a sec
me: I think they'e going to lie about me again, but the record of conversation is there
Anonymous: you should be able to rejoin
me: one guy said OpTunisia was over and then he and the other denied saying it
me: cool
Anonymous: just dont yell or be a bitch about things
Anonymous: roll with it
me: I try
me: but they banned others
me: I and someone else was objecting
me: wasn't sure how to handle it because I'm not used to this
me: thanks, though
me: says I'm still banned
Anonymous: owen is catching up with the chat
Anonymous: to figure ito ut
me: okay
Anonymous: me and him get along ok
me: no rush
Anonymous: we are go-betweens
Anonymous: because we run opposing networks
me: gotcha, I don';t mean to put you on the spot
Anonymous: his other opers hate my network
Anonymous: mine, hate his
Anonymous: so we work in the background
me: or make you cash in favors
Anonymous: to keep things civil.
me: it's jsut that we've made so much progress

me: in fact, give me acall or let me call you when you have a moment
me: there's a lot that's hjappened in our favor and I want to go over with you
Anonymous: we have kids who have to wake up at 6 in the morning
me: gotcha
Anonymous: so we have to go to sleep like an hour ago
me: later, then
Anonymous: we can talk tomorrow though
Anonymous: im at home all day
me: word
me: will call you tomorrow afternoon if that's okay
Anonymous: and also, thanks again for Tim, he is working out perfect
Anonymous: yeah thats fine
me: yeah, Tim is great
me: also, man
me: another guy just said they ran off someone who mentioned the rally
me: just now
me: banned him
me: I know this might seem like a petty thing
me: but please mention that to Owen
me: good people are being banned
Anonymous: dont put my name in channels
Anonymous: we've had this talk already heh
Anonymous: it doesnt do me any good
me: sorry
me: I forgot
me: keep forgetting the particularities of your situation
me: not something I'm used to
Anonymous: i was told
Anonymous: "make #optunisia2 and just invite anyone in there who wants to get work done"
me: I see
me: I can't invite anyone
me: can't even get on
me: anyway, I guess I'll just work with Project PM them
me: also, see if you can get Owen to make sure these guys don't ban Tunisians
me: they banned one
me: for talking about Tunisia
me: thanks for trying anyway
me: god damnit, it's depressing to see this shit happen in a group I'm trying to make everyone like
me: well, goodnight, take it easy
Anonymous: owen is cleaning house
Anonymous: me and trivette had it out

Anonymous: with master chiming in now and then
me: master is an evangelical
me: he hates me
Anonymous: yeah
me: started saying I'm megalomanicac
me: and then said I'm a security risk when that didn't work
me: the ops at that time took my side
me: which is why I'm surprised
me: these two guys, seriously, it's not just between me and them
me: they are seriously banning people for no reason and harming ops due to own power issues
Anonymous: you also dont blend well with the anons
me: I know, but it didn't seem to matter before
Anonymous: it was rubbing on some of them
me: I've been on there 12 hours a day for several days, Gregg
Anonymous: also
me: everyone else liked me
Anonymous: they dont stay on one task
me: and was working with me
Anonymous: they switch to other shit
me: I know
Anonymous: and expect everyone to
me: I didn't say they shouldn't
Anonymous: its tough for them to get
me: I know
Anonymous: come back tomorrow
me: will do
Anonymous: your unbanned
Anonymous: but i would let the dust settle
Anonymous: owen removed trivette's ops to
me: is there a way you can keep me unbanned when I come back?
Anonymous: do not speak of that though
Anonymous: no need to start shit
me: I won't
me: it's not my priority, I'm trying to make OpTunisia work
me: I've got enough enemies
me: I've made a lot over this already
me: won[t be able to write for some of the pubs I used to write for
me: so I appreciate your support
Anonymous: of course
Anonymous: you know i care
me: and I wouldn't have bothered you if it were not important

me: it's just that I've been able to get a lot done in that channel
Anonymous: yeah
Anonymous: owen is trying to work it out
me: with &a?
Anonymous: eh
Anonymous: he is just clearing up the access list
me: what's that mean?
Anonymous: there were 68 people with ops in that channel on the bot
me: ah
Anonymous: so when they joined it opped them
me: gotcha
Anonymous: he is clearing most out
me: very good
Anonymous: ok, try and play nice with everyone tomorrow
Anonymous: if shit hits the fan again tell me
me: will do, thanks
Anonymous: and if owen says jump, you say how high
Anonymous: everyone else dont take shit from
Anonymous: but be nice
me: yep
me: done and done
me: talk to you tomorrow
